WARNINGS

Before installing the product, please read the following warnings carefully:

1. Installation must be carried out by a competent or qualified person;
2. The bracket kit includes fixings for fastening to brick or concrete walls. For other walls, please ensure that fixings are used that are appropriate to the wall construction;
3. To prevent damage to the product, please remove the packaging carefully;
4. Remove all packaging before heating up the radiator;
5. It is not recommended to use hemp for making the watertight seal;
6. The radiator must not be connected to the domestic hot water system;
7. Do not place any corrosive or porous containers in contact with the radiator;
8. Clean the radiator using only a damp cloth. Do not use corrosive or abrasive cleaning materials;
9. Tissino Ltd are not liable for any damage to other products or personal injury if the above points are not followed;
