62	WASHER	RUBBER
63	O RING	RUBBER
64	PLASTIC RING	PLASTIC
65	BRACKET	BRASS
66	SHOWER	MULRIPE MATERIAL

Instruction

Handle Operation

Cleaning Method

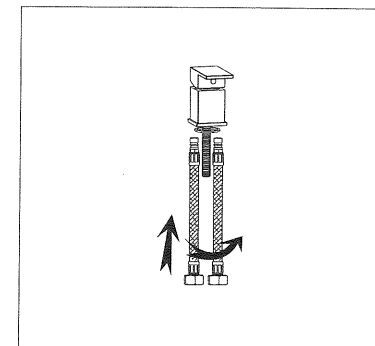

In order to maintain the shine finish of your mixer, please always clean the mixer periodically.

- ☒ Clean the finish with warm water and dry with a clean soft cloth.
- ☒ Many cleaners may contain chemicals, which could adversely affect the finish and are not recommended for cleaning.
- ☒ Do not use abrasive cleaners, solvents, sponges and tissues for cleaning.

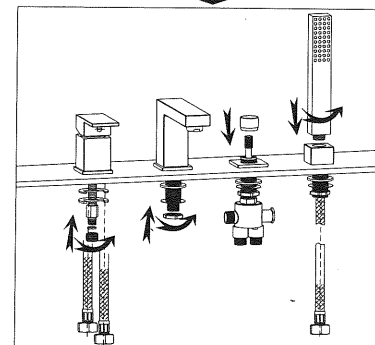

Installation Method

Caution Before installation, clean out dirt or other impurities, which may collect in water pipes by allowing water to flow freely for a moment.

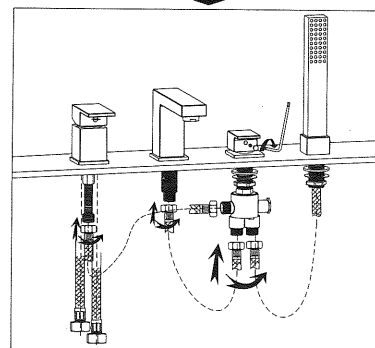

1. To connect the hot and cold water hoses properly.

2. Use deck plate to fix the body, spout, diverter and shower wall flange firmly.

3. Use hose to connect the body, spout, diverter and shower hose, then please do check whether it has water leakage. After, use screw to fix the handle firmly.

Terms and Conditions

On the mixer you purchased you have a 5 years guarantee on the ceramic disk from the date of purchase. The guarantee does not cover:

1. Incorrect or inappropriate use of the mixer.
2. Incorrect installation or carried out with inappropriate tools.
3. Inappropriate maintenance or inappropriate use of cleaning products.
4. Components subject to ordinary wear and tear.
5. Damages due to calcareous sediments or plaster flakes in the pipes.
6. Damages due to the use of spare parts other than the original ones.
7. Causes due to chemical, electrochemical, electrical influences.

Customer must present the sales invoice and this instruction guide in order to enjoy our guarantee service. Please keep your sales invoice and instruction guide safely.

Your dealer will apply for the enforcement of the guarantee. Your dealer reserves the right to amend the term and conditions without prior notice. In case of any dispute, your dealer will reserve the right of final decision.
