# tissino

Creating exceptional bathroom experiences is at the heart of Tissino.

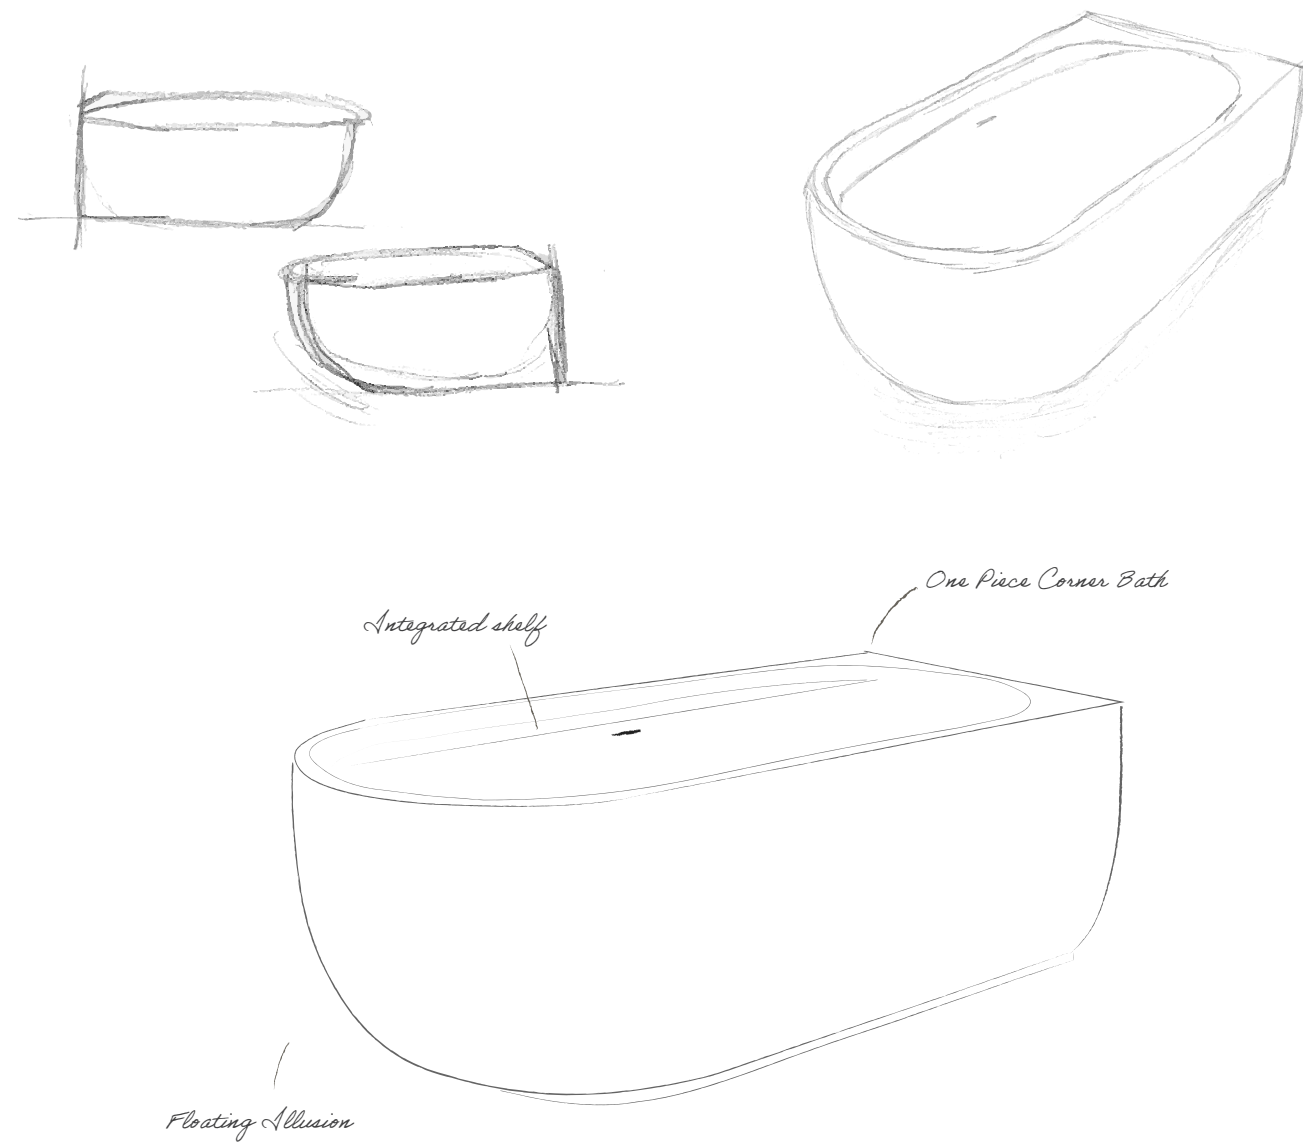

Inspired by a passion for Italian design, our products expertly balance function and form and uphold a quality of excellence which is made to last. Our core collection is complimented by a design-led, showroom only range Esclusiva – which has been meticulously crafted in line with moving trends.

From showering to heating, our extensive range undergoes rigorous quality and performance testing, with ease of installation always a priority.

With decades of experience in bathroom design and innovation, our team are dedicated to making your space feel like a sanctuary which can be enjoyed for many years to come.

At Tissino, every product begins its journey with our in-house design team. Inspired by the harmony of Italian design and driven by a passion for innovation, our experts start by imagining how each piece can enhance the bathroom experience. From the first sketch to the final detail, every product is thoughtfully designed to balance style, functionality, and quality.

The journey doesn't end there. Once a concept is born, it undergoes a meticulous process of refinement. Our team works rigorously, testing and perfecting every element to ensure it meets the highest standards of performance and durability. Whether it's a sleek shower enclosure or a beautifully crafted heating solution, no product leaves our hands until it's proven to excel in both form and function.

We pride ourselves on offering a diverse product range that caters to all tastes and budgets, combining the latest trends with timeless elegance. Behind every product lies a story of dedication, craftsmanship, and an unwavering commitment to quality—so you can trust that every Tissino piece is made to transform your bathroom into a space you'll love for years to come.
